Our Mission Together: If you missed our Completion weekend., there are extra cards at the back of church. Please fill in a card for every household .There are still pledge forms at the back of church for anyone who wants one. Contributions can still be made, but we are now at the end of active promotion of OMT. The good news is that you have been so generous that we have raised 127% of our target. This means that the parish will get 70% of the excess! 46% of parishioners have contributed, which is the highest in the Diocese so far! Any pledges from now on should be put in the box at the back of St Mary's. Well done everyone who has given, and well done everyone who has prayed for the success of the project.

FOOD BANK:

We have very little food, due to increased demand and reduced supply. Anything you can contribute will be very welcome. We are also in desperate need of carrier bags
Thank you for your generous support

Power to Be: Every child has the power to achieve great things. But 1 in 6 people live without electricity. This holds children back from reaching their full potential. This weekend we are launching Cafod's Power to Be campaign in our parish. By signing a postcard to the UK's representative at the World Bank, you can speak up for local, renewable energy, and help families around the world to lift themselves out of poverty. If you are unable to complete a postcard today, you can sign Cafod's online petition by following the link at www.cafod.org.uk/Campaign/Power-to-be/Energy-campaign.
