NOW IS THE TIME: Mass Lobby of Parliament and Climate Pilgrimage Wednesday June 26th 19: Climate change affects our health, our homes and our beautiful landscapes and things are getting urgent now. It's time to tell our leaders that enough is enough. This is not the legacy that we want to leave for our grandchildren; this is not the future we want. On **Wednesday 26 June** Cafod supporters will come together with over 100 like-minded organisations – members of The Climate Coalition – to speak to our politicians and make our voices heard. We'll be gathering at Westminster to connect the poor to the powerful by sharing our concerns on climate change and the environment with leaders who can make a difference. Politicians will only increase their ambition if they see that we care. They will act if their constituents tell them that they want change. Join the Pilgrimage by booking via the Cafod website onto one of the coaches that are departing from various locations across England and Wales including Knutsford.
