The parish of St Mary Middlewich sometimes collects personal information about parishioners. All personal information is collected, processed and stored in accordance with the General Data Protection Regulations. This is retained only as necessary and used by the parish/diocese for the benefit of the parish and for legitimate reasons such as administrative and religious purposes. You can read our full privacy notice at www.dioceseofshrewsbury.org/about-us/privacy-notice

"Post-Covid Clean" of Parish Centre: The thanks of the whole parish must go to those who contributed to the sparkling cleanliness of the Parish Centre. It is amazing what a few women, a boy and a man can achieve with a few hours hard work.! We look forward to being able to use the centre again ourselves, as well as it being available for rent to local groups. We can't afford to do anything major with building or decorating until our income recovers from Covid, but this has certainly shown what can be done when parishioners work together.

Despite the complete relaxation of the restrictions to which we have become accustomed, please do not think that this means no restrictions in church immediately. The Bishops have said that they do not envisage Sunday Masses returning to normal before Advent, but that Parish Priests should decide at what pace the restrictions should be relaxed, taking into account local conditions. However, there is increasing concern about the high numbers of cases of the virus and hospitalisations, so, in common with many other parishes, we have decided to keep the restrictions in church as they are, including the wearing of masks, signing in, the sanitising of hands, the social distancing measures, and the stewarding of weekend Masses until at least the end of August. This is disappointing, but is the only way to ensure the safety of our whole church family. Many people will be on holiday during this time so there should not be a problem with the restricted numbers. The same limit of 50 will be applied for weddings, baptisms & funerals The safety concerns mean that, unfortunately, for the time being, St Margaret's will remain closed for worship. Mothers' Prayers now takes place in church after Mass each Friday. Mass on Wednesday evenings & 11.00am Sunday will be streamed until numbers are no longer restricted, but please come in person if you can. Numbers are currently below maximum due to holidays Please tell all your fellow parishioners how safe it feels in church and encourage everyone to be part of the real, not just virtual, community again.
 Fr Peter, Deacon Tony, Deacon Chris.

FREE HOLIDAY CLUB PROGRAMME: Free places are now available for children and young people eligible for free school meals. This opportunity is provided as part of the government's expanded Holiday Activities and Food (HAF) programme being delivered across Cheshire East. The scheme provides enjoyable activities and nutritious meals for primary and secondary school aged children who are eligible for benefits-related free school meals. Children will be able to access hundreds of free sessions throughout the summer holidays, including specific provisions available for children with SEND or additional needs. The sessions will include a variety of fun activities, including sports, music, arts and other exciting opportunities to learn and develop skills, alongside a nutritious meal each day. To view the activities and find out how to book a place, visit www.cheshireeast.gov.uk/FIS and clicking on the 'things to do' section or by searching 'family information service events'. Any families who don't have access to the internet are advised to contact a professional they are working with who can enrol on their behalf. For more information about the programme in Cheshire East visit www.cheshireeast.gov.uk/HAF

Please take care parking at church and, unless you are disabled, park in the car park rather than in front of church. There have been a couple of near misses with playing children recently and parents have complained about lack of care from some of our recent congregations. We are sure no one would wish to cause injury to local children, so avoiding parking there is the best way to be sure everyone is safe.
