### Please help Let's End Poverty and Caritas engage with local candidates at this General Election

Caritas Shrewsbury are part of the Let's End Poverty national movement. Can you help support work to champion the common good, and the preferential option for the poor, at the General Election? Please use the new online tool for individuals to write to your local candidates, asking them what they plan to do to tackle poverty if they are elected: <https://letsendpoverty.co.uk/election/#email-candidates>

### Call for action this election

Unfortunately we have received only one reply to date to our emails sent to all to the political candidates. This was from the Labour candidate Andrew Cooper for the Mid Cheshire Constituency. His reply is available on the CAFOD noticeboard at the back of St Mary's Church. The response is disappointing but it has still served a purpose by sending a message to all candidates that there is an active catholic voice in their constituency, a people of faith who care about the poorest and most marginalised people both here and abroad. Thanks for your support.
