GLOW PARTY

Hallowe'en will soon be upon us and it's a good time to start reflecting on what Hallowe'en is and how we celebrate it. Hallowe'en is actually a Christian festival. It has nothing to do with witches, vampires, ghosts or the occult—it is the Hallowed or Holy evening; the evening before All Saints day when we venerate those who have gone before us in to heaven; so it's worth celebrating it in the right way. It's a festival of light, not of darkness.

Churches Together are organising a " Glow Party" our young people up to the age of 11. We encourage everyone to come along in fancy dress (not scary costumes please!) and there will be games, crafts, disco and prizes. There is also a toddler zone and a café for mums and dads! So do come and celebrate Hallowe'en with us. October 31st from 5.30pm until 7.30pm. at Middlewich Community Church, Brooks Lane, Middlewich.

Message from Baroness Hollins President of The Catholic Union of GB

As you will have seen in the news Kim Leadbeater MP will be introducing a Bill into parliament this month to legally permit medical doctors to end the life of those with a terminal illness. This bill is likely to be concerning on several levels but especially in this attempt to move doctors out of their primary duty to care for patients and towards participation in what will soon, if the bill is passed, become a new UK business sector of euthanasia provision. You may find it helpful to watch the documentary '[Better off Dead](#)' written and presented by the disabled actress Liz Carr for BBC One and iPlayer about the rapid extension of assisted dying in Canada from just terminally ill people to a much wider group.
