Marian Shrine

Father Vijay and the Parish Pastoral Team are planning to build a Marian Shrine on the grass area at the side of the car park. This will be a place of prayer and worship for parishioners now and in generations to come. We ask that any parishioners or friends of the parish who have **building skills**, brickwork / stonework etc to help build a shrine could let us know please.

We will start fundraising for the project very soon, watch this space!
If you feel you can help in planning, fundraising or building the shrine, please speak to Fr. Vijay or Dave Collins (07359296730). Thank you.

Parish Finance Advisory Group

The Parish Advisory Group have been working actively over the past few months to establish a framework to ensure we have a sustainable plan to grow and develop our parish community and reduce costs where possible and therefore plan to invest in key areas to maintain and grow our parish for future generations.
We will be sharing our plans and consulting with all parishioners over the next few months.
Prior to Christmas we indicated that we would share with you our monthly financial headlines once we had the data for January.
January 2026: Total Income: £5091.27.
Total outgoing: £7453.21.

Heating and lighting are key cost lines in our expenditure.
We have reduce fixed costs in the following area: Telephone, Broadband and Wifi, Printing, Administration.
Cost reduction through negotiation and change of suppliers has been effective, however, as a parish we will need to look at how we can develop a more sustainable regular income.

Praying through Our Lady of

Guadalupe. Mary's Mantle Consecration is a self-guided retreat during lent that can help us to reflect on our relationship with Jesus, evaluate where we are in our lives and encourages an honest reflection of our hearts. During this season of lent it is an opportunity to listen to what the Lord has to tell us by offering a time for reflection every day.

The retreat involves joining a WhatsApp group through which you will receive a daily reflection to read and meditate on in your own time. You will also receive a link to a video once a week.

If you would like to take part in this Consecration to Our Lady of Guadalupe, please contact Gemma 07796 455509

SIXTH SUNDAY IN ORDINARY TIME

Fr. Vijay's reflection

In today's Gospel, Jesus invites us to look beyond the surface of the commandments and into the deeper intentions of the heart. It is easy enough to avoid obvious wrongdoing, but Christ calls us to something far more transformative: to let our thoughts, our words, and our relationships be shaped by God's love. Anger, resentment, and careless speech can quietly erode the peace God desires for us. Reconciliation, honesty, and gentleness, on the other hand, open our lives to grace.
This week, we are encouraged to choose the path that leads to life – not only in the big decisions, but in the small, hidden moments of each day. May we allow the Holy Spirit to soften what is hardened, heal what is wounded, and strengthen what is good within us, so that our lives may reflect the compassion of Christ.

The Devaney Family

Day of special prayer for The unemployed

Saint Joseph, we pray to you for those who are out of work, for those who want to earn their living or support their families.

You who are the patron of workers; grant that unemployment may vanish from our ranks; that all those who are ready to work may put their strength and abilities in serving their fellow men and earn a just salary.

You are the patron of families; do not let those who have children to support and raise lack the necessary means. Have pity on our brothers and sisters held down in unemployment and poverty because of sickness or social disorders. Help our political leaders and captains of industry find new and just solutions.

May each and every one have the joy of contributing, according to his abilities, to the common prosperity by an honourable livelihood.

Grant that we may all share together in the abundant goods God has given us and that we may help underprivileged countries.
