

This is the complete list of the gifts we have bought as a parish. We have bought our original wish list twice over and in addition we have bought 2 cows, training for 4 farmers & two village vets. Thank you.

Item	Item		no	Per Item	Total Cost
	Community Water Supply	Enables our village to have a safe and clean water supply	2	750	1500
	Train a community health worker	Gives our village health worker vital skills - such as the identification and treatment of malaria and HIV and AIDS	2	300	600
	Bicycle	Enables our village health worker to bring life-saving medical care to people in remote areas	2	50	100
	School Starter pack	Provides our village children with all the essentials they need to go to school	10	7	70
	Teach someone to read	Trained literacy teachers and books mean that more of our villagers can learn to read	10	10	100
	Tools for an apprentice	Tools and training help a young person in our village to gain the skills to earn a living	3	40	120
	Mother & Baby Care	Better trained birth attendants means our mums and babies have a better chance of survival	2	30	60
	Business start-up	Skills and equipment help our villagers develop small businesses	4	16	64
	Music lessons & instruments	Playing a musical instrument helps boost the self confidence of our vulnerable children	2	20	40

	Vegetable gardens	Horticultural training, seeds & tools enable families in our village to grow their own vegetables and enjoy a healthy diet.	10	10	100
	Goat	Our village goat can provides a family with up to 12 pints of milk a week - which they can drink or sell - and free fertiliser for their crops.	2	28	56
	Pair of piglets	Our families can take their pigs to market and use the extra money for food, education or medicines.	4	25	100
	Chicken and training & equipment	With training & equipment our families can produce eggs to eat or sell, or raise more chickens	6	20	120
	Football	Football can bring our village young people together, build their self-esteem, confidence and a sense of community.	2	10	20
	Train a Farmer	With training in sustainable farming, such as learning to use locally available organic fertilisers, our village farmer can produce enough crops not only to feed him & his family but also to sell at market.	4	125	500
	A Cow	A gift of a cow provides a village family with a source of manure for their crops, milk to improve their diet or to sell at market & calves to pass on to another family	2	100	200
	Train a Village Vet	A gift of a cow provides a village family with a source of manure for their crops, milk to improve their diet or to sell at market & calves to pass on to another family	2	60	120

Our grateful thanks to everyone who donated to Esperanza.  
**The total collected is an amazing £4,466.12**
